Below given is a list of deliverables that are usually needed while submitting an entry application in a university in the UK.

NB. Please note that the deliverables mentioned in the list given below may vary according to the programme and the university that you have chosen. So please be sure to check the corresponding university's website for more details.

1) All academic records
2) Statement of Purpose (SOP) / Personal Statement / Admission Essay (visit https://findmyuni.uk/ for referring samples)
3) Two letters of Reference/Recommendation (LOR).
   You can submit the LOR from your tutors (preferably course leaders) or heads of the educational institutions that you've studied in or from your employers
4) Proof of Identity – Aadhar
5) Passport size photo of the applicant
6) Passport
7) Portfolio, if it may apply
8) IELTS score if it may apply
9) Proof of Identity of parents, if it may apply
